Be Income Eligible

- Your family's income must be below 150% of the federal poverty guidelines.
- SNAP PARTICIPANTS! Ask about express eligibility!

Meet employment and training requirements

- A single parent household needs to work 60 hours each month
- A single parent, who is attending school full time, needs to work 40 hours each month.

Cooperate with Child Support Enforcement

- Families with a parent absent from the household must comply with the Child Support Enforcement Division or must receive child support under a court order.

How long will it take?

It may take up to 30 days to process your application. If household is eligible, benefits may begin the date you submitted your signed application as long as required documentation is received within 30 days. Benefits cannot be backdated. Avoid possible delays or lapses in service by submitting all the required documentation with your application.

Is an interview required?

Yes. An interview is required before it can be determined if you are eligible for assistance. Your interview may be in person or by telephone.

Will I have to pay anything?

Yes, you will pay a part of the day care costs. That amount depends on your income and family size. This is called a co-pay. Your provider may also charge rates that are more than the scholarship program pays. Each month you will have to pay your provider the co-pay amount and the difference, if any, between what the provider charges and what the state pays.
